

Any honors student planning to enroll in SCCC 390Z: Thesis/Project Planning must first find a topic for the thesis/project and a full time, USC professor (and in some instances USC full time Staff member) to serve as your director. After finding your director, you must have him or her sign this form, and then you must bring it to the Honors College when you come to register for the planning course. Registration for this course must be completed by the deadline, which will be announced each semester.

PLEASE PRINT ALL INFORMATION

For the STUDENT to complete

Student's Name		ID#	
Phone		Email	
Semester to be taken		Year	
Topic			

For the DIRECTOR to sign and complete

I have agreed to serve as the director for this student's Senior Thesis or Project.

Director's Full Name		Dept	
Director's Faculty ID		Email	
Office Phone		Date	
Signature			

NOTE: Students are required to submit a typed prospectus according to the protocols of the discipline (as determined by the director) by the end of the semester in order to receive a passing grade with one credit for SCCC 390Z. A copy of the proposal must also be submitted to SCHC with the Senior Thesis/Project Contract Form to enroll in SCCC 499: Senior Thesis/Project. The only students exempt from the SCCC 390Z requirement are those who spend the second semester of their junior year on educational opportunities that keep them away from USC that semester.

SCHC use only:
